

Unit 1

God Give Us Families

Bible Memory Verse

“Let us love one another, for love comes from God”
— 1 John 4:7

Your Devo Time

Maybe your family has their devotional time in the morning, after dinner, or even at bedtime. No matter when your family sits down to share God’s Word, it is a beautiful and sacred time to experience together. Use this devotional on its own or go to <http://bibleinlife.com/video/> to watch the **God Give Us Families** video alongside it to help your family grow and learn together.

As a Family

Memorize 1 John 4:7 together.

Talk this through.

- Who are the people in our family?
- What are some of our favorite things to do as a family?

In 1 John 4:7 we read about the kind of love that God gives us. God’s love is a gift for you and for me.

When we know and love God, we get to have the greatest gift in the world...we have His love. This means that all love we have comes from God. It means that our love is evidence that we are born of God. When we have His love, we can share that love with our family.

- What is your favorite way to show our family love?

Pray together.

Spend the next few minutes as a family praying about all of the ways your family gets to show each other love this week.

Unit 2

God Give Us Friends

Bible Memory Verse

“A friend loves at all times”

—Proverbs 17:17

Your Devo Time

Maybe your family has their devotional time in the morning, after dinner, or even at bedtime. No matter when your family sits down to share God’s Word, it is a beautiful and sacred time to experience together. Use this devotional on its own or go to <http://bibleinlife.com/video/> to watch the **God Give Us Friends** video alongside it to help your family grow and learn together.

As a Family

Memorize Proverbs 17:17 together.

Talk this through.

- Friends love each other. Who are the friends you show love to?

In Proverbs 17:17 we read about how friends treat each other. Our Bible stories about Jesus and His friends tell us that friends love each other no matter what. This verse ties to those stories by telling us that friends love each other if things are good or if things are bad. And if things are hard or easy.

No matter what is happening with our friends, we get to show them we love them.

- What are some ways you can show love to your friends?
- God wants friends to help each other. What are a few ways you can be a good friend this week?

Pray together.

This is a great time as a family to pray together about your friends. You can be a good friend by praying. How do you want to pray for your friends right now?

Unit 3

God Give Us the Church

Bible Memory Verse

“Christ is the head of the church”
—Ephesians 5:23

Your Devo Time

Maybe your family has their devotional time in the morning, after dinner, or even at bedtime. No matter when your family sits down to share God’s Word, it is a beautiful and sacred time to experience together. Use this devotional on its own or go to <http://bibleinlife.com/video/> to watch the **God Give Us the Church** video alongside it to help your family grow and learn together.

As a Family

Memorize Ephesians 5:23 together.

Talk this through.

What are some of the places where you learn the Bible?
Who decides things in our family?

In this Scripture, the Church isn’t a building. The church is all of God’s children—and that includes you and me. When we read Ephesians 5:23, we learn that Jesus is the head of the Church.

Jesus is the leader of the church, like a lot of dads are the head of their families. This means Jesus is in charge of the Church. WE are the Church. And Jesus is in charge of us. Together as a church we can learn from the Bible, learn about Jesus, pray and thank God, and share about Him.

Pray together.

This is a great time as a family to pray together and ask God to help you know Him better and more about His church.
